

**NOTE:** Please start your artwork on a separate layer above or below this one. The template layer should remain locked.

Create a separate layer for your type. This enables you to create a copy that can be rasterized (if you are in Photoshop) or converted to an outline (if you are in Illustrator) so that all fonts in your project will remain intact.

Use this template for both the front and back of your artwork.

STANDARD BLEED = .125 in  
(3.175 mm)
